Brian: Mentioned about a campus retreat to Cal State San Bernardino as a campus collaboration between Dominguez Hills and San Bernardino. A potential program proposal could be made since there was a feature at the SMSU facility based on coyote pawprints for students to find for a prize.

III. Informational Items

IV. Action Items

V. Discussion Items

A. Programming Interest Survey Creation

River: Mentioned to the Committee that since the Town Hall will be happening on April 16th, an interest survey can be made for the students. Questions from the survey will depend on the previous survey that ASI has established.

(The Committee is now discussing changes to the questions from last year’s survey to be implemented to this year’s survey.)

- 1) What types of events would you like to attend this year? (adding Karaoke as a choice)
- 2) What topics for informational workshops or speakers would you want to attend?
- 3) What are the best times during the week for YOU to attend events? (change the question to be “what time is most likely for you to come for events”)
- 4) How would you prefer to be informed about upcoming events?
- 5) Other than classrooms, where do you spend the most amount of time on campus?
- 6) Which area of the U-SU do you tend to spend the most time?
- 7) What are the biggest challenges or barriers to your success as a student at Cal State LA?
- 8) What services or improvements would you like to see at Cal State LA?
- 9) What year are you at Cal State LA?
- 10) How close to campus do you like?
- 11) What are some practical giveaways do you want ASI to do for your wellbeing?

River: Mentioned about the possibility of virtual events for students that commute.

Ashley: Agreed, discussed that commuter students would be most likely to go home if their commute is around 2 hours or more, rather than staying for an event.
