Subject: A.S.I. Student Body Fee Referendum Request

Since 1959, Associated Students, Inc. (A.S.I.) has served as the official voice of students providing services and programs that meet the educational, social, recreational and cultural needs of the Cal State L.A.'s pluralistic student community.

Currently, the annual student body fee is \$53.75, as reflected by a \$19.25 per student fall quarter fee and \$17.25 per student fee in the winter and spring quarters. A.S.I. has not adjusted its student body fee since 1999. As such, this is the lowest in the CSU System of 23 campuses.
