Subject: Student Body Association Fee — California State University, Los Angeles
Executive Order No. 545

I am transmitting to you a copy of Executive Order No. 545 which authorizes the establishment of the revised Student Body Association Fee Schedule requested for California State University, Los Angeles.

The student referendum approving an increase in the Student Body Association Fee also discussed use of the funds to support the expansion of a computer center. Use of the Associated Students' funds for this purpose is permitted by Title 5, California Administrative Code, Section 42659 (a). The revenue from this fee, however, may be used for any purpose approved by the Trustees and is subject to regular allocation and appropriation procedures applicable to the Student Body Association.

Also, pursuant to the student referendum, the attached Executive Order implements an increased fee level for a period of one year, with the fee being reduced to a lower level effective Fall, 1990.

In accordance with The California State University policy, the campus President has the responsibility for implementing Executive Orders where applicable and for maintaining the campus repository and index for all Executive Orders.
