<b>Position:</b>	elections committe	<b>Wednesday:</b>	12pm-5pm

**1. What previous experience have you had in the area in which you are applying for?**

I have no formal experience but I work well in groups, I'm not one to shy away from a problem, and I learn fast.

**2. State briefly why are you are applying and/or are interested in this position**

I want to apply to ASI committed because I want to get more involve in my school and election. I think ASI is the best way to learn about the election and all the work that goes behind the scenes. ASI also is a big part of helping students out by giving them a voice to talk about the issue we have at school. I want to be apart of organization that fights for students.

**3. What do you feel are some of the major problems facing the students of Cal State LA?**

I think some issue that cal state la has is that most students don't know what to do with their degree once they graduate, everything is overprice, and class availability.

**4. List activities and/or organizations that you have been involved with (on or off campus)**

I have none.
