**What previous experience have you had in the area in which you are applying for?**  
I was previously an NSS Steering Committee Member for the Spring 2020 session and the position was very enlightening for me. I wish to continue this position in the upcoming Fall 2020 session.

**State briefly why are you are applying and/or are interested in this position**  
I am interested in continuing this position as it provides me with a way to serve the Cal State LA student community as well as making connections with peers, professors, and administrators. It is also helping me develop the skill of leadership.

**What do you feel are some of the major problems facing the students of Cal State LA?**  
Some of the major problems that I think the students of Cal State LA face, right now during the COVID-19 global pandemic, include the lack of access to proper technology, internet access, a peaceful, hygenic study environment, and maybe even the fear of participating in online classes. The most major problem that I see however is that many of these students have lost their jobs, due to the pandemic, so now they have to prioritize survival over education. I think that this committee can work with university administrators to help students out of this situation.

**List activities and/or organizations that you have been involved with (on or off campus)**  
While being part of the NSS Steering Committee, I was able to give input from the perspective of CSULA NSS students on the matters that were being discussed. I have learned a lot about what goes on between faculty and how that may or may not affect students.
