**What previous experience have you had in the area in which you are applying for?**

Under the previous administration, I have served within the capacity of Chief Justice. Prior to my appointment, I served as an Associate Justice as well. I am comfortable with Robert's Rules, able to run meetings smoothly, and have experience leading the Bylaws/COP and the JRC from a state of quarantine.

**State briefly why are you are applying and/or are interested in this position**

I am interested in returning to ASI because I believe it is the best way for me to serve the Cal State LA community. I hope to enter the field of public service in the future, and I believe that serving as the Chief Justice plays best to my strengths of analysis and satisfies my desire to serve the community that has done much to shape me.

**What do you feel are some of the major problems facing the students of Cal State LA?**

I believe that many students are unaware of what ASI is doing to help them during this time of quarantine crisis. Even under normal circumstances, many students do not know about certain services they have access to as a student. However, the coronavirus crisis and the recent protests have led to students becoming more distressed, with many of them not knowing about student support efforts that both ASI and Cal State LA provide.
