I learned to become more familiar and navigate through the college through new experiences and the help of faculty members and other students in the college. My previous experiences as a student representative can be drawn from high school, where I served as a Secretary for a local club. I learned many skills through my role as Secretary, including coordinating and communicating with other members of the board and club, taking and organizing meeting notes, and efficiently managing my schedule.

State briefly why are you are applying and/or are interested in this position

I am applying for this position because I am very interested in continuing to learn, participate, and contribute more for the Cal State LA community.

What do you feel are some of the major problems facing the students of Cal State LA?

During my time at Cal State LA, I noticed that many of the Cal State LA students are not very engaged with campus activities or organizations. When I volunteer through the Center for Engagement, Service, and Public Good office, I noticed that there are not a lot of volunteers or the students are only volunteering because a class requires them to. In addition, many students are not very knowledgeable to many useful tools and resources. One of the tools that are not being promoted is OptimalResume. It is very useful for students who need help with their resume by providing examples and formats.

List activities and/or organizations that you have been involved with (on or off campus)

- LA Regional Food Bank volunteer (February 2019, February 2020)
- Cal State LA Here We Come! volunteer (April 2019)
- Harmony Tree Learning Center Instructional Aide and Elective Teacher (June 2019- present)
- co-creator of sprinkleeducation.com (June 2020-present)
