During the Spring 2019 semester, I served as an undergraduate student representative for the Education Policy Committee. While serving on the committee, I practiced skills such as time management, organization, and critical thinking about policies that directly impact students. As such, I believe these skills will allow me to serve well as a representative for the Charter College of Education.

As a junior in the Charter College of Education, I am very familiar with the college's faculty, program, and coursework. Having experienced an array of advisement sessions, events, and coursework, I am passionate about bringing forth the voices of the Charter College students to further enrich every aspect that the college has to offer.

State briefly why are you are applying and/or are interested in this position

As an aspiring educator, I have a passion for lifelong learning as well as ensuring that educational experiences are effective and engaging. Through serving as a representative for the Charter College of Education, I believe that I can learn an abundance about education while simultaneously contributing back to the university and its students. Furthermore, as someone interested in education and education policies, I believe that this will be a great learning opportunity where I can put the skills I have learned in class to practice.

What do you feel are some of the major problems facing the students of Cal State LA?

One of the most significant problems that I believe the students of Cal State LA face is timely graduation. Unfortunately, a good portion of the student population at Cal State LA do not graduate within four years. This can result from personal circumstances such as work, family, children, availability of classes, and so forth. As a result, many student encounter the 120% rule, which does not allow them to receive financial aid to supplement paying for their studies. This is a hard and detrimental blow on students, especially those who come from lower socioeconomic communities.

List activities and/or organizations that you have been involved with (on or off campus)
