What previous experience have you had in the area in which you are applying for?

I am applying to the Executive Committee Board of Directors position. The experience I have comes from being a Board of Director, Arts and Letters College Rep to be exact. I was able to witness a few ins and outs of curating and passing the agenda for what should be discussed during the meeting

State briefly why are you are applying and/or are interested in this position

I am interested in this position because it will allow me to grow as a Board of Director but also keep a close relationship with students. Sitting on this committee will allow me to advocate for students that feel their voice isn't heard in these committees. I will be able to communicate what topics should be discussed and which ones shouldn't.

What do you feel are some of the major problems facing the students of Cal State LA?

A major problem students are facing at Cal State LA is them feeling unheard by their student representatives. They feel the student representatives don't spend enough time trying to listen and understand their concerns due to the agenda. Another issue students are facing is feeling alone during remote learning due to the amid virus. They feel as if there is nothing to look toward to this semester. They also feel as if they're alone.

List activities and/or organizations that you have been involved with (on or off campus)

I was a part of Changemakers, an organization that focuses on the mental well-being of students. I was a Student Ambassador for the Outreach and Recruitment Department. I was a part of The Middle Leadership Academy, I served as a communicator between both faculty and students. Lastly, I am the Arts and Letters College Rep.
