State briefly why are you are applying and/or are interested in this position

I am interested in applying to be a part of the Alternative Funding & Referendum Ad Hoc Committee because it combines hands-on learning of finance and problem-solving skills, both of which are incredibly important in any future career.

What do you feel are some of the major problems facing the students of Cal State LA?

The largest problem facing CalState LA right now is the transition to online learning caused by COVID-19. On top of the pressure it puts of staff, faculty, and students having to learn a whole new system in just a few weeks, it makes any previous problems exponentially worse. Some of the areas that are being hit the hardest are things such as classes that heavily rely on in-person aspects (such as labs), students that require housing, and academic advising.

List activities and/or organizations that you have been involved with (on or off campus)

I am a part of ASI as a representative fr the College of Business and Economics and am also the secretary for the PreLaw Society.
