Yes

Are you aware that you must be enrolled in a minimum of six (6) units per semester while in office?

Yes

Yes

Have you earned less than (150)-semester units?

Yes

What previous experience have you had in the area in which you are applying for?

I am an attentive listener and adept at seeing things through different perspectives. When I was younger I debated competitively and that gave me a wealth of experience thinking critically and deliberating on tough situations. My time as a debate team captain has helped me to view all sides of a situation fairly and objectively without taking sides.

State briefly why are you are applying and/or are interested in this position

I think that sitting on the Student Grievance committee would offer me the opportunity to advocate for more students and learn more about what struggles students are having. It would also allow me an active role in mediating student problems and finding out more about what ASI can do to help the student body.

What do you feel are some of the major problems facing the students of Cal State LA?

I think that right now an uncertain future, troubles adapting to virtual learning, and financial insecurity are the biggest problems facing Cal State LA students. This is a year unlike any other and students will need more support than usual.
