SUBJECT: Dreamers Resource Center ASI 2022-2023 Report

The Glazer Family Dreamers Resource Center requested a total of \$15,000 from ASI, Inc. to support our undocumented students on campus. Due to several transitions in the center, we did not utilize any of the funding fall 2022. However, our plan is to utilize the funding Spring 2023 to award 10 scholarships (\$1,000 each) to students who are non-DACA recipients and 10 scholarships (\$500 each) to students who are eligible for DACA.
