## II. Public Comment:

➤ None.

## III. Action Items:

- A. ASI Appointed Positions – The Board will consider action on appointing candidates to open ASI positions.

1. ASI Internal Committee Appointments: The Board will consider action on appointing candidates to open ASI internal committee positions.

- a. ASI Civic Engagement Officer

i. **Brooke Reilly Mero**ii. **Sathya Naidu Raminani**

- Sathya: I'd love to build relationships with local politicians and leaders so they may come speak to students.
- Ledi: How would you engage students?
- Brooke: I was thinking about this a lot. Partnering with local organizations would bring more people. It's hard to adapt these ideas to online learning. Townhall's and forums as Sathya mentioned.
- Sathya: I think it's important to engage all students. Engaging students through social media seems the most effective. Also marketing in classrooms.
- Gabriel: How will you adjust you schedules to fit the needs of this positions.
- Brooke: I'm willing to adapt my schedule.
- Sathya: I'm also able to change around my schedule if needed.
- Analiz: The issue is that Brooke said her class schedule conflicts with the meetings that she would sit on.
- Brooke: I changed one class so that I have Tuesday's and Thursday's are now available.
- Analiz: I'm giving my recommendation to Brooke because I feel that she would be a good candidate for this position.
- Ledi: I give my recommendation to Brooke, she will be a good civic engagement officer due to what I've seen from her.
- Gabriel: I want to consider that some candidates apply to several positions because they really want to make a change.
- Analiz: I know Sathya keeps applying and applying but I couldn't find a clear answer to what he has done in his previous positions. He did not host many events, and I believe where there is a will there is a way and he could have done more.

b. ASI Diversity & Inclusion Officer - **Alexis Iheanyi Obinna**

- Alexis: I'd like to have this position because it is not enough just to stand in solidarity, we must show action and implement what makes the students and faculty feel safe.
- Ledi: How will you ensure you are representing the entire school population?
- Alexis: I want to show community within different groups. *Alexis explains how she wants to engage all students and make them feel safe.*
- Analiz: I'm not going to give a recommendation. I do appreciate that she applied to another position. She never really gave direct answers and wasn't sure where to place her energy specifically. I'm hoping to keep this position open.
- Brajohn: I am in favor of Alexis. She can differentiate between equity and equality. I think Alexis would be a strong fit.
- Gabriel: She is able to say she wants to be a part of this but I have seen comments from her about not making certain positions. Is this a person who is going to be a team player?
- Ledi: I understand both sides. *Ledi describes why she believes Alexis should be given a chance.*
- Diana: At the end of the day I want to see ASI thrive.
- Analiz: I do believe she can do the job, but there are other characteristics that the candidate needs.
- Gabriel: If you really want to be a leader, you have to put in the work to show that you are a leader.
- Brajohn: I saw her comment on the ASI Instagram and the pushback she gave. I do think that is also part of the position in order to get voices heard.
- Analiz: The scheduling may be a conflict depending on if she gets an internship.

c. Graduate Academic Senator – **Anaid Villa**

- Anaid: I really want to be an advocate for graduate students. I just graduated from CSULA for my bachelor's and am continuing on with my master's. *Anaid explains why she thinks she is fit for the position and lists previous experience she has.*
- Ledi: What motivates you?
- Anaid: With everything going on at the moment, I feel like many students do not feel heard. Also, starting Fall online won't let new freshmen find friends who they may ask questions. *She continues to explain her motivation to help other students.*
- Gabriel: I spoke with Anaid yesterday and she is incredible. She said that her students and love of education is what motivates her. I highly recommend her and feel she will add to our community.
- Ledi: As a previous graduate senator, I support her because she really wants to advocate for students.

d. Associate Justice – **Milton Joseph Han**

- Milton: I find it interesting that associate justices can sit on other committees and contribute and give their ideas. It's my second year at CSULA and I want to get involved. *Milton explains why he would be a good fit.*
- Ryan: Milton had heard about the position from a previous associate justice and he was interested last year but had some schedule conflicts. *Ryan explains how Milton is determined and would be a good fit.*
- Ledi: Ryan, how is his schedule? Is he available?
- Ryan: I was under the impression that meeting times could be moved around?

- Diana: There are some that can and some that cannot.
- Dena: *Dena goes over the schedule and discusses potential meeting time changes.*
- Gabriel: Ryan, do you believe he is capable of conducting business with the chief justice?
- Ryan: Yes.

e. Environmental Policy Commissioner

i. **Javier Moro**

ii. **Chia-I Yeh**

- Javier: I was a chair for the EPC last year. *Javier details his experience in political science, EPC, policy, and other activities that he has helped with creating on campus.*
- Chia-I Yeh: I'm the best fit because I am an environmental science major and passionate about policy. *She explains her experience, how she conserves and how she wants to help other students conserve on campus.*
- Gabriel: What inspires you the most?
- Javier: I am an environmentalist. I've been traveling around the country for events and promoting sustainability. *He explains how he is a political science major but also has a passion for the environment.*
- Chia-I Yeh: A creator in China inspires me because she sells goods made from recycled objects and sells them without making profit. *She explains why this inspires her.*
- Ledi: When I interviewed these candidates, it was so hard because their applications are so great. *Ledi discusses why she wants to keep the position open and not appoint one of the candidates.*
- Lauren: I like Javier. Has anybody worked with him before?
- Diana: I have worked with Javier previously. It's very hard to keep things both professional and personal. *Diana explains some complications ASI has had with him.*
- Gabriel: I can see why both have impressive applications, but if they cannot perform the tasks needed of them then they are not the best applicant. *He goes on about what kind of candidate is needed.*
- Diana: He just didn't use his position the way it was supposed to be used. Don't worry about this position being filled.
- Ledi: *Ledi discusses Javier's application and what she expects of each candidate.*

B. University Committee Appointments – The Board will consider taking action on appointing candidates to open external university committee positions

1. NSS Resource Allocation Member – **Alaysia Belin**

- Gabriel: I recommend Alaysia. We talked on the phone and the discussion was refreshing and wants to be a part of the community.

2. NSS Steering Committee Member –

i. **Jasmine Shad**

ii. **Akalpit Adwait Shukla**

- Gabriel: I give my recommendation to Akalpit Adwait Shukla. He wanted me to read a statement for him. *Gabriel reads the statement and gives his recommendation.*

V. New Business

➤ None.

VI. Reports:

A. ASI President: Diana Chavez

➤ Diana: So far I have been working with Dena on the summer leadership training schedule. I want to open townhall meetings over the summer. I've been using social media more and reaching out to clubs and organizations. *Diana lists other organizations that she wants to represent and help within the CSULA community.*

B. ASI Vice President for Administration: Ma Ledi Ham Loot

➤ Ledi: I've been boosting engagement with students joining orientations to recruit freshmen to screaming eagles. I've been building report with organizations and CSI.

D. ASI Vice President for Academic Governance: Gabriel Avila

➤ Gabriel: We have now filled all of our senate seats. I have come up with a series to maintain a sense of transparency and how we want to push our students. The best way for us to know each other is to work together. I have a list of the committees I have to fill. Personally, I want to work on being a positive role model for ASI and having transparency.

E. ASI Vice President for External Affairs and Advancement: Analiz Marmolejo

➤ Analiz: I was just appointed so I haven't been up to much. I am working on external affairs and townhalls. When can I start townhalls?

➤ Diana: Whenever you are comfortable.
