- Section 1. **Annual General Election.** There shall be an annual general election by the members of this corporation for the purpose of electing the officers. Said election shall be conducted on the campus of California State University, Los Angeles. The election shall be held on a date or dates

to be determined by the Elections Committee under the rules set forth in the [ASI Elections Code](#).

- Clause 1. Notice of the time of such an election shall be given at least three (3) weeks in advance and must be placed in various public places on the campus of Cal State LA and published in the following ways:
- A. Campus wide e-mails
 - B. The ASI website and/or the University Times

Section 2. **Special Elections, Referendum, and Initiatives**

Clause 1. **Initiatives.** The regular members of ASI shall have the power to initiate policy, rules, or regulations at a Board of Directors meeting by means of a written petition. A student wishing to circulate a petition must register them first with the Executive Director or designee, at which time all copies of the petition will be dated. Petitions must be signed by at least three percent (3%) of the current members of ASI with permanent CIN numbers verified by the University. Upon presentation of the petition to the Board of Directors, the body shall act on said petition within a period of fifteen (15) school days.

Clause 2. **Referendum.** Any policy, rules, or regulations adopted by the Board of Directors shall be subject to a referendum vote of the student body except emergency measures without permanent effects; procedural rules of the Board of Directors; or any matter on which the Board of Directors desires a vote of the general student body. A request for such a vote may be made either by written petition signed by at least three percent (3%) of the members of the Associated Students with permanent CIN file numbers, verified by the University; or by a two-thirds (2/3) vote of the Board of Directors. Upon approval, the Elections Committee shall be called to establish a timeline for a special election or shall determine if the issue may be incorporated into the General Election in the spring semester.

A. To pass, a referendum requires a majority vote in favor of the total votes cast by the regular members of ASI.

Clause 3. Notice of the time and place of the special election shall be given at least thirty (30) days in advance and shall contain a general statement of the purposes and matters to be considered. Notice of the special election must be placed in various public places on the campus of CSULA and published in the following ways:

1. Campus wide e-mails
2. The ASI website and/or the University Times

Clause 4. Special elections for other purposes may be called by two-thirds (2/3) vote of the Board of Directors or by petition of five percent (5%) of the whole student body and shall be conducted in a way consistent with the ASI Elections Code.

Section 3. **State-wide Representation.** No student may hold an elected position in ASI and also serve concurrently as a state-wide representative with the California State Student Association (CSSA) or be one of the two Student Trustees on the CSU Board of Trustees. Therefore, students who have applied or are running for BOT or CSSA positions shall not be permitted to participate in the ASI election to prevent the possibility of a candidate winning both elections and having to choose one over the other and leave the other vacant.
